

**1) Should Falls Church City increase the percentage of affordable housing set-asides to 10% or higher?**

**YES.**

**2) Do you support Falls Church City public employees entering into collective bargaining agreements with the City?**

**YES.**

**3) Should Falls Church City have more designated bicycle lanes on main thoroughfares?**

**YES**

**4) Should the new ordinance prohibiting the possession of firearms in public spaces and buildings have an exception for concealed carry permit-holders?**

**NO.**

**5) Should Falls Church City continue to issue permits for local businesses to use parking lots and sidewalks for additional outdoor seating?**

**YES.**

**6) Should Falls Church City extend the definition of daytime hours to 10:30 pm for the purpose of noise levels?**

**NO.**

**7) Should the City require all new developments be carbon-neutral?**

**NO.** I support environmentally friendly policies but believe pilots involving incentives should be used first, with outcomes/benefits to the city measured before defaulting to mandates as first approach.

**8) Should Falls Church City create a police oversight civilian review board with investigative and subpoena powers?**

**NO.**

**9) Would you support future Falls Church City local elections using ranked-choice voting?**

**NO.**

**10) Do you believe election fraud is a widespread problem?**

**NO.**
